ID Theft Protection™ Lite

Secure your personal data with Mastercard ID Theft Protection

Mastercard ID Theft Protection™ puts consumers in control of their identity by proactively monitoring & alerting instances of identity theft:

- **Detect:** Monitors the deep, dark and surface web looking for compromised personal information data - national ID, passport, driver's license, bank account details, debit & credit cards, email, mobile number, address and social media handles.
- **Alert:** Provides immediate alerts of suspicious activity detected on items to be monitored.
- **Resolve:** Resolve problems quickly with Self-Service ID Theft Resolution Kit.

Zero Liability Protection

Issuer to provide

As a cardholder, your bank may have a liability policy in place to protect you.

To enjoy Liability Protection against unauthorised transactions:

- Take reasonable care in protecting your card from loss or theft.
- Promptly report any loss, theft or unauthorised use of your card to your bank when it happens.
- Keep your account in good standing. This usually means paying your bills on time and keeping to your credit limit.
- Speak to your bank to find out what other security features they have in place to protect you from fraudulent transactions.

This feature provides you with security protection on your everyday, online and travel purchases. Subject to bank availability. Contact your bank for more information on Liability Protection.
